

## More than 10 years of experience in Business Management in Lanzarote

The local Chamber of Commerce, Industry and Navigation (in Spanish: Cámara de Comercio, Industria y Navegación de Lanzarote) represents, promotes and advocates for the general interests of companies in Lanzarote.

It belongs to an international network of Chambers of Commerce working from the five continents.

Our team specialize in different business areas. We offer a wide range of solutions related to entrepreneurship, business creation and consolidation, internationalization, innovation, training, communication and competitiveness.
